

Smiles on Friday

January 10, 2025

We love when our Ross Hall faculty visit our CSLCs. Recently, Dr. Saulo Geraldeli (center back), division director of biomedical materials, joined the CSLC-Sylva team for a day of care.

CSLC-Robeson County AEGD resident Dr. Kaila Chavis (center) is on rotation at Ross Hall and is one of the first birthday celebrations in the new year.

Attention! The ECU SoDM Military Club leadership met with Emily Schultz and Debbie Hill to continue plans for the upcoming Veterans 5K to be held in April.

The SoDM welcomed the ECU Board of Visitors today as they toured the facility and learned more about the School and its mission within the university and the state.

Dr. Randy Ball met with D4s Cameron Smith, IJ Okons, Sierra Hill and Cesar Pelaez during the Pediatric Dentistry morning huddle.

Have a great weekend
— Smile!
