### Excellent Associate Opportunity

I am looking for a motivated new associate who is interested in working in an underserved area treating primarily children and young adults. Our practice is located in Kenansville, NC and serves Duplin county and all surrounding counties.

This is a great chance to join a thriving family owned practice with an average of 80-100 new patients a month, all updated equipment and access to OR facilities for hospital sedation of patients across the street. We are willing to mentor new graduates in all aspects of pediatric and young adult dentistry. Sign on Bonus, guaranteed daily rates with production based bonuses after first 6 months of practice.

Huge opportunity for growth and potential partnership!

Please feel free to contact me directly to discuss details.
